**My Message**  
The Women's Centre has been a big part of my life for the past four years. It is hard to put into words just how meaningful the Centre is to me. The WC is way more than just "my employer" or "where I earn my pay cheque" but it is a community that never fails to provide support, encouragement, laughter and connection. I am humbled by the incredibly strong, resilient and diverse women I am proud to be a part of.
